

**Wolf Trap Grants for Performing Arts Teachers
Selection Rubric**

Rubric	4 (level 3 AND)	3	2	1	Score
Learning Objectives and Curricular Standards	Project approaches standards in a unique or innovative manner for the applicant's school setting.	Identifies the learning objectives that are directly related to state or district curricular standards.	Identifies the learning objectives that are somewhat consistent with state or district curricular standards.	Learning objectives do not address their relation to state or district curricular standards.	
Project Goals	Project goals are meaningful, motivating, student-centered, and inquiry based.	Project's purpose and goals are clearly described and thoroughly documented; proposal supports Wolf Trap Foundation's performance and education priorities.	Project's purpose and goals are stated and some evidence of need is provided. The proposal somewhat aligns with Wolf Trap Foundation's performance and education priorities.	Project's purpose and goals are unclear or do not address Wolf Trap Foundation's performance and education priorities.	
Project Design	Project includes a variety of access points and supports growth in both knowledge acquisition as well as higher level cognition and/or 21 st century skills.	Strong and innovative project design with procedures and activities that are well defined, fully explained, and link to project goals.	Adequate project design with procedures and activities that are defined but project is somewhat unclear. Not clearly linked to project goals or lacks innovation.	Project design is vague and not clearly linked to project goals or innovation.	
Impact	Students are given the opportunity to extend their knowledge beyond the arts classroom or the current school year.	The proposed project will have a major impact on students and/or school program(s).	The proposed project will have some impact on students and/or school program(s).	The proposed project will have little to no impact on students and/or school program(s).	
Budget	Use of funds allows for maximum impact and/or application clearly articulates a need for support.	The majority of funds will be used for artistic instruction and align with project goals and design.	Some funds will be used for artistic instruction and somewhat align with project goals and design.	Funds do not seem to address project. Estimates do not correlate with project goals and design.
