## **WOLF TRAP FOUNDATION'S MISSION & IMPACT**

Wolf Trap Foundation for the Performing Arts is a distinguished artistic, educational, and cultural resource for the nation, and continues to grow thanks to philanthropy. Over the last 50 years, more than 15 million people have flocked to Wolf Trap's three unique venues to enjoy an array of high-quality entertainment and artistry. Wolf Trap Opera continues to achieve prominence for its outstanding professional training programs and lush performances.

Inclusivity and accessibility are core values of Wolf Trap. Every year, the Foundation provides educational opportunities to nearly 100,000 children and teachers locally and across the country, and nearly 8,000 free tickets to families, under-served communities, and people with disabilities. Wolf Trap Institute and its arts-integrated approaches increase school readiness among children who live in economically disadvantaged circumstances. Wolf Trap's STEM Learning Through the Arts program draws national attention for its use of the arts to teach math and science fundamentals to preschool and kindergarten students.

***Due to the impact of the pandemic, Wolf Trap lost 90% of its 2020 ticket income. The strength and success of our 2021 fundraising is incredibly important as we look toward our next 50 years serving our community. Thank you for supporting this treasured resource!
