### AN EPICUREAN ADVENTURE AT THE BARN IN SUPPORT OF WOLF TRAP FOUNDATION

THANK YOU TO OUR  
EVENT SPONSORS TO DATE

**Capital One**

**MicroStrategy**

C.E. and JEAN ANDREWS  
THE BOEING COMPANY  
TABLE 13  
DANIELLE and JOHN SAUNDERS

#### ABOUT THE EVENT

*Wine at Wolf Trap* is an extraordinary evening featuring a five-course dinner designed by **award-winning Chef and Restaurateur Cathal Armstrong**, a James Beard Best Mid-Atlantic Chef nominee and honoree of *Food & Wine* magazine's "50 Hall of Fame Best New Chefs." Creator of Restaurant Eve and many others, Chef's latest ventures include Kaliwa and Hummingbird. Each course is paired with wines hand-selected by **Master Sommelier Jarad Slipp, Estate Director of RdV Vineyards**, to beautifully underscore Armstrong's culinary vision. The evening begins with champagne and creative hors d'oeuvres, includes a lively silent auction featuring rare wines and unique travel and dining experiences, and concludes with music and dancing. *Wine at Wolf Trap* is a much-anticipated springtime tradition that sells out each year, with reserved seating for only 175 discerning wine aficionados.

#### ABOUT YOUR SUPPORT

Your donation supports Wolf Trap Foundation for the Performing Arts, who for more than 45 years has distinguished itself as an artistic, educational, and economic resource for the Washington, D.C. region and beyond. More than 400,000 people flock to its three unique venues every year to enjoy a vast array of high quality entertainment. Wolf Trap's programming includes esteemed classical music, operas, musical theatre, dance and comedy programs, as well as pop, rock, indie, jazz, country, and R&B music. Wolf Trap expands access to the arts by providing nearly 8,000 free tickets to families and area organizations that serve disabled or under-served children and adults.

Beyond its stages Wolf Trap Foundation provides educational opportunities to nearly 100,000 children and teachers annually in the DC area and across the nation, in 28 states. The Wolf Trap Institute for Early Learning has proven successful in promoting school readiness among children who live in economically disadvantaged circumstances, and has drawn national attention for its use of the arts to teach math and science fundamentals to preschool and kindergarten students. In addition, Wolf Trap's popular and highly competitive internship program provides hands-on training in arts management for college students and recent graduates.

**Sponsorship information is attached.**
