*FIELD TRIP FRIDAYS***

***Cruising the Caribbean***

**Terlene Terry-Todd, Wolf Trap Master Teaching Artist**

Take an imaginary trip to the sunny Caribbean! Ms. T will use movement, songs, and costumes to bring the journey to life!

## To Prepare for This Performance

- **Have everybody join!** This performance is highly interactive and will include something for everyone! We encourage you to share this experience with friends, family, and educators of all ages.
- **Find an open space.** You will experience opportunities for movement like stretching, moving your arms and jumping in place -- so if possible, join from a space that allows everyone to move freely.
- **Join at your own pace.** Don't worry if your child chooses not to participate in the whole experience, or is shy at first. They will likely be encouraged to join in if they see you others participating.
- **Find a scarf.** If you have a scarf or small towel, you can use it to dance along with Ms. T! However, this is not required for participation.
